

## **HEALTH, SAFETY AND ENVIRONMENT POLICY**

It is the policy of IMC Geophysical Services Ltd (IMC GSL) to conduct its activities in such a way as to :

- provide for the health and safety of its employees, clients, subcontractors and the public.
- protect the environment, prevent pollution and seek improvements in the efficient use of natural resources.
- comply with government regulations, laws, industrial standards and guidelines.
- encourage all employees and subcontractors to openly communicate and participate in all HSE matters through meetings and inspections within the workplace.
- aim to provide products and services supported with practical advice that will not cause injury or undue effects on the environment.
